

Building trust between **COMPANIES, INVESTORS AND PARTNERS**

EuroQuity is an online matchmaking platform for investors, companies and their partners. Created in 2008 by Bpifrance, the service has grown in partnership with projects of the European Commission as well as major public and private international organizations.

To date, EuroQuity has a proven track record of success with +12.200 companies, +1.800 investors and +1.200 business support services listed on the platform, and over 550 M€ raised in Equity funding.

STRONG PRESENCE
in Europe and Africa
International connections

+ 20.000
users
trust us... ★★

«We are regular users of EuroQuity, which broadens the scope of the projects in which our Business Angels invest while strengthening our relationships with Bpifrance, a major player in supporting innovation and entrepreneurship.»

Les Business Angels
des Grandes Ecoles

Paul Leondaridis – General Manager

«EuroQuity has allowed us to diversify our deal flow while facilitating contact with project leaders. Pitch sessions and live questions are particularly interesting.»

Thibaut Escarras – Private Equity Analyst

«Thanks to the EuroQuity online platform, the Italian and European investors have access to first level investment opportunities which helps to boost and stimulate the market of cross-border investment.»

Paolo Anselmo - President

«EuroQuity has actively supported our fundraising process and helped us gain additional exposure to the European investor network. Euroquity is becoming our key partner to support our growth ambitions and prepare for the next rounds of funding.»

Guido Magrin - CEO and co-founder

«The EuroQuity tool is qualitative, because we use it for our sourcing of start-ups. In addition, the associated services such as the various webinars in France and Europe are unique opportunities to keep track of the new opportunities identified by Bpifrance's teams. In a word: Useful!»

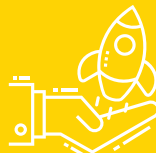

Sylvain de CHADIRAC - General Delegate
